CERTIFICATE OF PARTICIPATION

This certificate is presented to

Yash Ghodki

In recognition of their participation in the Massive Open Online Course (MOOC) titled "CS1010: Introduction to Programming with Python", offered by Finessefleet Foundation as part of its academic outreach efforts. The course, conducted in online mode during the Spring 2025 session (April 15, 2025 to July 9, 2025), introduced learners to foundational programming concepts including data types, control flow, functions, and problem-solving techniques using Python. The participant has duly engaged with the instructional material provided during the course term and demonstrated sincere academic interest in the subject.
